

SPORTSMANSHIP POSTER EXTRA CREDIT

The "8 Traits of Sportsmanship" are a major component of our class this year. Essentially, they are the traits that make up a good character, keep the class safe and ensure that you work cooperatively and productively in a group. These traits are perfect for making a poster representing good character and sportsmanship. These posters will be hung up on the locker rooms.

To earn these 10 points of extra credit, you need to design a creative, artistic and thematic poster using one, some or all of the 8 Traits of Sportsmanship. You must follow the parameters below to earn the extra credit.

Parameters:

- Use construction paper and/or poster board sizes 12"x18" or 18"x24", or larger, any color.
- Design a logo (you can include writing) that represents one, some or all of the 8 Traits of Good Sportsmanship. With that logo, come up with some type of creative statement or slogan.
- Either use a cool computer font or your own drawing skills to design the logo and slogan
- Decorate the poster with drawings, images, etc. Make sure it is colorful and creative.
- Put your name, period and roll call on the BACK of the poster.
