

"Buy Back" Assignment

This assignment is designed for to redeem yourself by earning back 5 points that you might have lost for participation in class. There are many different reasons why you might have lost participation points in class. Check out your "Participation Grade" handout in your Sportfolio Handouts to see how many points your infraction was worth. Remember, this assignment is only worth 5 points. If you had a 10 point infraction (non dressing in a PE uniform), this will "buy back" half of your points.
